All plans created by Precision Property Measurements Ltd (PPM) are made exclusively for landscaping purposes (Cal. Civ. & Prof. Code §8727). All site plans created by PPM do not include the determination of any property line, and do not constitute land surveys. In addition, PPM services and plans do not constitute and shall not be considered a substitute for the services of a licensed structural engineer or licensed architect. PPM makes every reasonable effort to ensure the accuracy of the information found in our plans. However, every Architect, engineer, contractor, designer or other licensed professional, in a consultation to the property owner, to determine the suitability of the site before plans are prepared. Measurements should be field checked before commencing construction. In the event that an error is found on a plan, PPM's liability is limited to the amount of the fee paid to PPM.
