All plans created by Precision Property Measurements Ltd (PPM) are made exclusively for landscaping purposes (CA, Title 4 Prof. Code 86727). All other plans created by PPM do not include the determination of any property line and shall not constitute legal surveys. (CA, Title 4 Prof. Code 86722-8723). In addition, PPM services and plans do not constitute and shall not be used for any situation or activities defined as civil engineering (CA, Title 4 Prof. Code 86702-8704). PPM should not be considered a substitute for the services of a licensed structural engineer or licensed architect. PPM shall have no responsibility to determine the accuracy of the information found in our plans. However, every effort shall be made to ensure the accuracy of the information. It is the duty of the architect, contractor, designer or other licensed professional, as a consultant to the property owner, to determine the suitability of the information prior to construction. Measurements should be taken on-site before construction. Measurements should be taken on-site before construction. In the event that an error is found on a plan, PPM's liability is limited to the amount of the fee paid to PPM.

All plans created by Precision Property Measurements Ltd (PPM) are made exclusively for the building purposes (Cal. Civ. Code § 95022). All non-plans created by PPM do not include the determination of any property line and do not constitute legal surveys. In addition, PPM services and plans do not constitute and shall not be used for any activities or activities without the consent of the client. PPM shall not be considered a substitute for the services of a licensed structural engineer or licensed architect. PPM shall not be responsible for the accuracy of the information found in our plans. However, any Architect drawing elements contain errors in some degree. It is the duty of the architect, contractor, designer or other licensed professional, or a consultant to the property owner, to determine the suitability of the information prior to construction. Measurements should be field confirmed before construction. In the event that an error is found on a plan, PPM's liability is limited to the amount of the fee paid to PPM.
